F-1 Student I-20 Extension

We recommend that you apply for an extension at least 30 days before the end date on your I-20 (listed in Item #5) if you need more time to complete your program. If you do not get the necessary extension prior to the end date on your I-20, you will be in violation of your immigration status.

HOW TO APPLY:

1. Have your academic advisor complete the recommendation form (attached).

2. Obtain proof of your financial support for the entire period of your extension (an award letter, Cornell assistantship letter, bank statement, or sponsor letter). You must show that you have sufficient funding to cover the expenses for the entire period of the extension as listed on the back of this page. We cannot accept less than the amounts shown.

3. If you are a graduate student in one of the following degree programs, you will also need to obtain the signature of your Graduate Student Services Representative in the graduate school (143 Caldwell Hall):

   PhD, MS, MA
   JSD, Law
   DMA & MFA (Music)
   MFA (English)
   MPS Statistics

4. Bring the completed application to the ISSO and sign in to speak with the Advisor on Duty. (Do not drop off the forms: speak with an advisor to be sure the extension is processed in time.)

5. If you work on campus, your I-9 Employment Eligibility form will also need to be updated with your department.

PLEASE NOTE:

This procedure will extend your I-20 but not your visa stamp. If you have an expired visa stamp in your passport, it is ok to remain in the U.S. but the next time you travel out of the U.S. and need to re-enter, you will still need to apply for a new visa stamp to re-enter the U.S.
