

F1 & J1 Student Extension of I-20 or DS-2019

We recommend that you apply for an extension at least 30 days before the end date on your I-20 (item #5) or DS-2019 (item #3) if you need more time to complete your program. If you do not get the necessary extension prior to the end date on your I-20 or DS-2019, **you will be in violation of your immigration status.**

HOW TO APPLY:

1. Have your academic advisor complete the recommendation form (attached).
2. Obtain proof of your financial support for the entire period of your extension (an award letter, Cornell assistantship letter, bank statement, or sponsor letter). You must show that you have sufficient funding to cover the expenses for the entire period of the extension as listed on the back of this page. We cannot accept less than the amounts shown.
3. If you are a **graduate student** in one of the following degree programs, **you will also need to obtain the signature of the Graduate School Student Services** in the graduate school (143 Caldwell Hall):

PhD, MS, MA

JSD, Law

DMA & MFA (Music)

MFA (English)

MPS Statistics

Nondegree graduate students

MPH, MPS Comparative Biomedical Sciences

4. **Bring the completed application to the ISSO** and sign in to speak with the **Advisor on Duty**. (Do not drop off the forms: speak with an advisor to be sure the extension is processed in time.) The advisor will create your new form in 2-5 business days.
5. If you work on campus, your I-9 Employment Eligibility form will also need to be updated with your department.

PLEASE NOTE:

This procedure will extend your I-20 or DS-2019 but not your visa stamp. **If you have an expired visa stamp in your passport**, it is ok to remain in the U.S. but the next time you travel out of the U.S. and need to re-enter, you will still need to apply for a new visa stamp to re-enter the U.S.
