

**SOURCE OF FINANCIAL SUPPORT**

The U.S. Government requires Cornell to verify adequate financial support and health insurance for international visitors and their accompanying dependents. Minimum funding requirements for the J-1 student intern are \$1,800/month or \$21,600 per year. Please note that medical insurance is a U.S. Government requirement.

Funding must be arranged prior to issuance of a DS-2019 form. No additional funding from Cornell University should be expected after arrival. If funds are from an organization, grant, or government support, please attach a signed copy of any letters of award or sponsorship. If on personal funds, please attach a bank statement not more than 6 months old. Proof of funding must accompany this form.
