J-1 Student Extension of Cornell DS-2019**

We recommend that you apply for an extension at least 30 days before the end date on your DS-2019 (listed in Item #3) if you need more time to complete your program. If you do not get the necessary extension prior to the end date on your DS-2019, you will be out of status. **[** If you are a J-1 student but your DS-2019 is issued by an agency or institution other than Cornell, you must contact your program sponsor to get an extension of your DS-2019.]**

HOW TO APPLY:

1. Have your academic advisor complete the recommendation form (attached).
2. Obtain proof of your financial support for the entire period of your extension (an award letter, Cornell assistantship letter, bank statement, or sponsor letter). You must show that you have sufficient funding to cover the expenses for the entire period of the extension as listed on the back of this page. We cannot accept less than the amounts shown.
3. If you are a **graduate student** (excluding **MBA, JD and LLM** students), you will also need to obtain the signature of your Graduate Student Services Representative in the graduate school (143 Caldwell Hall).
4. **Bring the completed application to the ISSO** and sign in to speak with the **Advisor on Duty**. (Do not drop off the forms: speak with an advisor to be sure the extension is processed in time.)
5. Please allow several days for the ISSO to produce your extended DS-2019.
6. The ISSO advisor will let you know by email when you can pick up your new DS-2019.
7. If you work on campus, your I-9 Employment Eligibility form will also need to be updated by the ISSO advisor.

PLEASE NOTE:

This procedure will extend your DS-2019 but not your visa stamp. **If you have an expired visa stamp in your passport**, it is ok to remain in the U.S. but the next time you travel out of the U.S. and need to re-enter, you will still need to apply for a new visa stamp to re-enter the U.S.
